Massive Makeover

Well, we've just returned from TNNA and have we found treasures! First of all, we're adding 4 new lines of yarn, newly designed knitting needles (they will debut at Wisconsin Sheep and Wool), cotton weaving yarns (the full line with all the colors), the newest designs (all in kits and ready to go), Ashford wheels and accessories, several new lines of fiber from Dashing Mouse, the latest colors of Prairie Spun and weaving yarn (both from Brown Sheep), and other assorted gizmos and gadgets. Space and the limits of our bank account stopped us from adding even more (I wanted 3 more lines)!

This was the best show in years, and I think Penny and I have succeeded in bringing something for everyone into the shop. In addition, we have aligned with 15 companies for Wisconsin Sheep and Wool Festival who will consign their inventory to us for the show. So, make sure you plan extra time to spend in our booth. If it's new-we'll have it there.

For those of you like me (who can't wait) some of the new offerings were "cash and carry"-so we did-and they are in the shop now! Color packs, gradients, worsted, bulky, high end acrylic, wool, alpaca, we've outdone ourselves. We're adding yarns from the UK to the USA, from Canada to New Zealand. We've gone to the ends of the earth (well, at least to Cleveland) to bring you the best the fiber industry has to offer-and we're excited about it, and we hope you'll be excited about it, too.

So, don't wait to drop in, as new things are arriving daily. Be the first to get the best. See you in the shop!

2019 Winter Retreat

The 2019 Winter Retreat will be held in Fontana, Wisconsin at the Heritage House Inn. The dates are Thursday, Jan 24 through Sunday, Jan 27. Check in is at 1:00 PM on Thursday, and departure is noon on Sunday. Those attending will be asked to help provide a meal for the weekend. The Inn is divided into 3 suites, each having 2 bedrooms, a full kitchen, a living room with a fireplace, and at least 1 full bathroom. Some rooms have a view of Lake Geneva. Sorry, there are no private rooms, so plan on shared space. We meet in the Common Room, which is large enough to spaciouly accommodate all of us, and has space for spinning, knitting, and plenty of space for relaxing. We may also add a quick class for those who are interested in learning a quick technique or two.

At this time, all the spaces are filled. If you are interested in getting on the waiting list, please contact Penny at the shop.
