BITS, BOBS & BARGINS!

Featured Yarn – Stratosphere

Brown Sheep Stratosphere super wash yarn comes in beautiful colors. Made in the U.S., it is spun with soft, fine grade washable wool. In DK weight, it is an idea yarn for making hand-made gifts and items for children. It is easy to wash and makes durable garments.

Stratosphere was inspired by the Nebraska sky with its cloud-like softness and loft, as well as its interesting color palette of bright solids and soft kettle-dyed color ways.

During the entire month of July, we are offering a **15% discount** on all Brown Sheep Stratosphere yarn!
