## **BITS, BOBS & BARGINS!**

### **WI Sheep & Wool Festival**

The shop is almost empty as we are packing & loading in preparation for the Wisconsin Sheep and Wool Festival. You won't want to miss this event – Sept. 6<sup>th</sup>, 7<sup>th</sup> & 8<sup>th</sup> (help at the fairgrounds in Jefferson, WI). Please stop by our booth in the East Barn.

We are having a **Red-Carpet Premier** of new yarns and products. We'll also have some great sales going on.

One of our newest items is Toft (yarn, patterns, and kits). These items are for crocheters and if you don't crochet, you'll want to learn after you see these SUPER cute kits and patterns! We have many different kits but only one or two of each – so don't miss out! We predict that these kits will sell out quickly!

### **Business Opportunity!**

As many of you know, our building is for sale. We are not closing the business, but looking for a larger place. After 16 years in business, we are just out of space. We have new lines of yarn coming in and no place to put it! We will not be moving far away. So, if you know anyone who wants to start a small business or is looking for a nice investment property, send them our way! Let's make this happen!
