Springing into Spring

Now that Winter Retreat and Locks-In have past, it's time to leave old man winter behind and move into spring. We have a lot to look forward to as the weather warms. May will bring the Spring Fiber Fling in Woodstock at the McHenry County fairgrounds. If you attended the 2015 show, you know why we're excited about the 2016 edition.

Then, in June, we begin summer hours at the shop and host Fiber in the Forest. Several camp sites are already booked, so I expect this will be another great event. If you're not a camper-just come for the day!

Then, to top off the summer, there's the Wisconsin Sheep and Wool Festival in September. It will be expanded to four days this year. Check their web site for complete details and a schedule.

Fiber in the Forest 2016

You can now reserve your site for our 2016 Fiber in the Forest. The event will be held at Chain-O-Lakes State park, June 24-26. We will be camping in the Honeysuckle section of the park. Sites can be reserved on the "Reserve America" site on line. Everyone is responsible for their own meals and camping. We will have a screen room on our site set up on our site so people will have a mosquito free place to work.

This event was a hit last summer, and we expect the same this year. Those who do not camp can visit us in the park at no cost. So bring your knitting, a lawn chair, and a picnic basket of goodies to eat.
